Dear Graham,

I wanted to let you know that Pat and I have at long last moved out of Quarters D at the Naval Observatory. What was to have been a three-month stay turned into seven and one-half. We are extremely grateful for your arranging for us to stay on there in the first place and for your tolerance of our prolonging our stay in the second. It is difficult to say how much it meant to us not to have had to find some temporary digs.

Beyond that, let me say how much I look forward to working with you as Deputy Secretary. Whenever there is a way in which the Intelligence Community can provide you better support in your new role, I hope you'll let me know. We are anxious to do that.

Again, many thanks.

Yours,

STANSFIELD TURNER

The Honorable W. Graham Claytor  
Deputy Secretary of Defense  
Department of Defense
